--------------	--------------------------------	---	-----------------------

Purpose:

The purpose of this RFB is to establish a statewide contract for the procurement of State of Alabama Service Pins.

Award:

Award will be made "all or none" to the lowest responsible bidder meeting all specifications.

Assignment of Contract:

To assign, sublet or transfer any contract resulting from this solicitation, the vendor's written request must be approved by the State Purchasing Director.

Default:

When a Vendor defaults on a contract/purchase order, the state can procure the goods or services from other sources and hold the Vendor responsible for any excess in price/handling. The Vendor may be barred from bidding for an indeterminate period.

Delivery:

Items are to be delivered to various locations throughout the 67 counties in Alabama.

The exact locations and quantities will be provided by the ordering agency.

Delivery must be made within 30 days after receipt of order.

Delivery must be inside - dock deliveries are not acceptable.

Freight:

Bid is F.O.B. destination. Any freight charges must be included in the unit bid price and not shown separately on the RFB or invoice.

Contract Period:

Establish a 12 month contract with an option to extend for a second, third, fourth, and fifth 12 month period with the same pricing, terms and conditions. The second, third, fourth, or fifth 12 month period, if agreed by both parties, would begin the day after the first, second, third, or fourth 12 month period expires. Any successive extension must have written approval of both the State and Vendor no later than 30 days prior to expiration of the previous 12 month period.

Proration:

Any provision of a contract resulting from this bid to the contrary notwithstanding, in the event of failure of the State to make payment hereunder as a result of partial unavailability, at the time such payment is due, of such sufficient revenues of the state to make such payment (proration of appropriated funds for the state having been declared by the Governor pursuant to section 41-4-90 of the code of Alabama 1975), the Contractor shall have the option, in addition to the other remedies of the contract, of renegotiating the contract the other remedies of the contract, of renegotiating the contract (extending or changing payment terms or amounts) or terminating the contract.

Materials, Supplies or Equipment:

All materials, supplies or equipment being bid and delivered to the State shall be new, unused, of recent manufacture, first class in every respect, and suitable for their intended purpose.

Requested information:

Any additional information requested from a Vendor must be furnished within five (5) days from receipt of request.

Quantity:

200000000184	Document Phase Final	Document Description Statewide Contract -Service Pins	Page 5 of 6
--------------	--------------------------------	---	-----------------------

The exact quantity of purchases for each item listed is not known. Orders will be placed by agencies as needed and will give complete shipping instructions.

The State of Alabama does not guarantee that any amount will be purchased.

Samples:

Samples of similarly fashioned pins may be requested for evaluation and must be furnished without charge to the state.

Molds, Dies, and Engravings:

The State of Alabama will NOT provide the awarded vendor with molds, dies and engravings necessary for the Service Pin production. However previous samples of pins, molds and dies may be requested by the awarded vendor if necessary for processing. The state will require a proof of all artwork to be approved prior to manufacturing on the service pins. All artwork, proofs, molds, dies and engravings, necessary to produce the pins must be supplied by the awarded vendor and must be figured into the unit bid price per line item. After the end of the contract period the state will require the return of any molds, dies, and or engravings and artwork.

***** **Specifications 080L02 for Service Pins** *****

Service Pins must conform to the following design and specifications:

Dies: All emblems and jewelry shall be made from dies that will produce the detail of design and contour of emblems acceptable to the state of Alabama, based on the following instructions and directions:

Attachments: Nickel silver needle and separate steading point: brass clutch back, gold electroplated plus an additional clutch of like quality with gold electroplated chain and bar.

Finish: The lettering back and edge shall be covered by transparent jeweler's lacquer. The white emblem shall be thoroughly clean and free from particles of the polishing agent.

Packing: Individual plastic boxes.

Numbers: Numerals on the emblem, as to years of service, shall be incorporated as part of the dies, five through fifty year service awards. Therefore, stamped numeric impressions will not be acceptable and ten (10) separate dies will be necessary

Quality A: 5 year pins only

1. The Tie Tac, pin and label pins shall be made from rhodium's metals with an ox/ finish, and high-polished highlights.
2. A dark green fired enamel, Z10965, shall be used recessed in the outline of the state with the border being raised and polished.
3. Dark green fired enamel, Z10965, shall also be used in recessed in the state tree, with border being raised and high-polished.
4. The pink camellia shall have a pink fired enamel, A104, recessed with borders being raised and polished.
5. The leaves joining the state flower shall have fired green enamel, Z10965, recessed with the borders raised and polished.
6. The state bird shall have depth design and borders raised and polished.

200000000184	Document Phase Final	Document Description Statewide Contract -Service Pins	Page 6 of 6
--------------	--------------------------------	---	-----------------------

7. The wheel shall be raised with the border and spokes high-polished with the hub recessed in dark ox/finish.
8. The background of inner border of wheel shall also be dark ox/finish in contrast to that of the hub.
9. The letters in the state of Alabama shall be raised and high- polished.
10. The lower portion of emblem will have the letters 5 years' service and will be raised and high-polished. The numeral 5 shall be part of the die and not engraved or pantographed.
11. The emblems in their entirety, which includes findings must be of good quality alloy of virgin or newly mined metals, and must weigh in complete form prior to lacquering not less than 1-1/4 penny- weight, exclusive of attachments.
12. Emblem size is 1/2" diameter and .065 thickness for all service pins.

Quality B: 10 - 50 year pins

The Tie-Tac, pin and label pins shall be the same as quality A, except they shall be made from virgin or newly mined alloys with a Hamilton gold finish and polished-highlights, and in paragraph 10 - the numeral 5 shall be replaced with the appropriate numeral in both places.

All stones shall be a regular set in the center of the hub and design.

10-year no stone, numbers only

15-year red Ruby - .03 pt., with number

20-year blue Sapphire - .03 pt., with number

25-year Emerald - .03 pt., with number

30-year gold Sapphire - .03 pt., with number

35-year white Sapphire -.04 pt., with number

40-year white Sapphire -.05 pt., with number

45-year white Sapphire - .06 pt., with number

50-year white Sapphire - .06 pt., with number
